This document is not the official Summary Plan Description (SPD) of the 1199SEIU Greater New York Benefit Fund. Please consult the SPD for a full description of your Fund benefits. In case of any conflict between this document and the SPD, the terms of the SPD shall govern.

Introduction

Your Benefit Fund is dedicated to providing members with access to participating providers who offer quality vision care. Members and their eligible spouse and dependent children are entitled to receive an eye exam and a new pair of glasses every 2 years. We urge you to take advantage of this benefit.

By using a participating vision care provider, you can avoid out-of-pocket costs, except for lenses and frames that cost more than the Fund's allowance.

You may choose to use a non-participating provider. However, you will be reimbursed in accordance with the Plan's "Schedule of Allowances" and you will have to pay the balance.

This brochure gives members an overview of their vision care benefit, and a listing of conveniently located participating vision care providers. The optometrists in the program are state licensed.

Eligibility

The Vision Care Benefit is for all eligible members. Every two years, members and eligible dependents may receive an eye exam and a pair of glasses. (Member-Only coverage for Category III). Check with the Fund's **Member Service Department at 212-541-9150** (or 800-556-2271 outside NYC) if you are not sure of your coverage.

Exams, Frames and Coatings

By using a participating provider and choosing a frame within the Fund's allowance, you can avoid out-of-pocket costs.

Participating Providers bill the Fund directly. If you choose a frame that is not included in the Fund's program, you will have to pay the difference.

For ultraviolet and scratch-resistant lens coatings, there is a co-payment at most Participating Providers.

Get a Vision Care Voucher Before Going to a Participating Provider

Call the Member Service Department at 212-541-9150 or 800-556-2271 for a Vision Care Voucher. In order to receive an examination or glasses, you must take this voucher to the Participating Provider of your choice. You should make an appointment for an eye exam.

If you have an eye condition that requires a doctor's attention, you should use a participating Member Choice ophthalmologist.

IMPORTANT NOTICE

A "Vision Care Voucher" must be used within 60 days from the date it was issued. If it is not used within 60 days, **it will expire and the original voucher form should be returned to the Greater Nursing Home Benefit office.**

Introducción

Debido a que la vista es algo tan importante, la mejor manera de cuidarle es a través de exámenes periódicos de los ojos y, si fuera necesario, anteojos. Su Benefit Fund se dedica a proporcionar a sus miembros acceso a proveedores participantes que ofrecen atención de la vista de calidad. Los miembros y sus cónyuges y niños dependientes elegibles tienen derecho a recibir un examen de la vista y un nuevo par de anteojos cada 2 años.

Al usar un proveedor participante para la atención de la vista, evita gastos de bolsillo, excepto los armazones y lentes que cuestan más de lo que permite el Fondo.

Usted puede elegir usar un proveedor no participante, sin embargo, se le reembolsará de acuerdo con el "Programa de montos aprobados" del Plan y usted tendrá que pagar el saldo.

Este folleto brinda a los miembros una reseña de los beneficios para la atención de la vista y una lista de proveedores participantes de la atención de la vista con consultorios cercanos para su comodidad. Los optometristas del programa han recibido la licencia del estado.

Elegibilidad

El Beneficio para la Atención de la Vista es para todos los elegible miembros. Cada dos años, los miembros y dependientes elegibles pueden recibir un examen de la vista y un par de anteojos. (Cobertura para miembros solamente para la Categoría III). Consulte al **Departamento de Servicios para Miembros del Fondo al 212-541-9150 (o 800-556-2271 fuera de NYC)** si no está seguro de su cobertura.

Exámenes, Armazones y Revestimientos

Al usar un proveedor participante y elegir un armazón que cueste dentro del monto programado del Fondo, usted evita gastos de bolsillo.

Los proveedores participantes facturan directamente al Fondo. Si usted elige un armazón que excede el monto programado del Fondo, tendrá que pagar la diferencia.

En el caso de revestimientos ultravioletas y resistentes a las rayas para lentes, debe pagar un copago en la mayoría de los Proveedores Participantes.

Solicite un vale de atención de la vista antes de visitar a un proveedor participante

Llame al Departamento de Servicios para Miembros al 212-541-9150 ó 800-556-2271 para obtener un vale para la atención de la vista. Para poder recibir un examen o anteojos, debe llevar este vale al Proveedor Participante de su elección. Deberá solicitar una cita para hacerse un examen de la vista.

Si sufre de alguna enfermedad que requiere la atención de un médico, debe usar médicos ("ophthalmologist") que participen en Member Choice.

Aviso Importante

El "Vale para la Atención de la Vista" debe usarse dentro de los 60 días desde la fecha de emisión. Si no se lo usa dentro de los 60 días, **vencerá y se deberá devolver el formulario del vale original a la oficina de 1199SEIU Greater New York Benefit Fund en:**
