PROGRAM AND LEARNING OBJECTIVES

Program Moderator:
Charles Mueller, PhD, RD, CDN, CNSC

8:45am **REGISTRATION AND LIGHT BREAKFAST**

9:20am **Welcome and Introductory Remarks**

9:30am **Pulmonary Hypertension: An Overview**

Presenter: Maria Giovanna Trivieri, MD, PhD, FRCPC, DABIM

Learning Objectives: Upon completion, participants will be able to:

1. Define Pulmonary Arterial Hypertension (PAH);
2. Describe the most common clinical manifestations of the disease; and
3. Review long-term complications of PAH.

10:45am **Diagnoses of Pulmonary Hypertension**

Presenter: Christopher Mullin, MD, MHS

Learning Objectives: Upon completion, participants will be able to:

1. Explore the limitations of echocardiography in diagnosing pulmonary hypertension;
2. Understand the clinical classification of pulmonary arterial hypertension (PAH) and how this informs the evaluations leading to the diagnosis of PAH; and
3. Learn that right-heart catheterization is essential in the diagnosis of pulmonary hypertension.

11:30am **Pharmacologic Treatment of Pulmonary Hypertension**

Presenter: Jennifer Fiebert, PharmD, BCPS, BC-ADM, CGP

Learning Objectives: Upon completion, participants will be able to:

1. Review the therapeutic targets and pharmacology for agents used in the treatment of pulmonary arterial hypertension (PAH);
2. Recognize adverse effects associated with therapies for PAH;
3. Discuss administration and special considerations of medications used in the treatment of PAH; and
4. Identify adjunctive medications used for supportive therapy in the treatment of PAH.

12:30pm **LUNCH BREAK**

1:30pm **Pulmonary Hypertension: Diet and Nutrition**

Presenter: Charles Mueller, PhD, RD, CDN, CNSC

Learning Objectives: Upon completion, participants will be able to:

1. Describe nutritional treatment for acute pulmonary hypertension;
2. Review medical nutrition therapy for conditions that can cause pulmonary hypertension; and
3. Identify nutritional approaches for the prevention of the primary causes of pulmonary hypertension.

2:20pm **Pulmonary Rehabilitation**

Presenter: Aastha Joshi, BS, PT, MS, EP

Learning Objectives: Upon completion, participants will be able to:

1. Understand Domains of Wellness specific to the pulmonary hypertension population group (whole approach);
2. Identify the different exercise testing protocols and activity assessment;
3. Understand how to use the data from the exercise test to establish an appropriate exercise prescription, including appropriate target heart rate, blood pressure and oxygen saturation in healthy and pulmonary hypertension populations; and
4. Understand how to establish exercise parameters, including recommended Frequency, Intensity, Type, and Time (FITT) (Specificity and Sensitivity).

3:10 pm **Tailoring Treatment to the Pulmonary Hypertension Patient**

Presenter: Hooman Poor, MD

Learning Objectives: Upon completion, participants will be able to:

1. Describe the role of pulmonary vasodilator therapy in pulmonary hypertension;
2. Identify the prognostic markers of disease severity in pulmonary hypertension; and
3. Discuss the vicious cycle of right-ventricular failure, and strategies to halt it.

4:00 pm **Social Work Support for Pulmonary Hypertensive Patients**

Presenter: Rachel Potter, LMSW

Learning Objectives: Upon completion, participants will be able to:

1. Understand psychosocial challenges facing individuals with pulmonary hypertension;
2. Identify ways to navigate the medical system;
3. Outline ways to support people with pulmonary hypertension; and
4. Identify support recourses.

4:30 pm **PARTICIPANTS SUBMIT ONLINE EVALUATION**

PRESENTERS

Jennifer Fiebert, PharmD, BCPS, BC-ADM, CGP

Clinical Pharmacy Coordinator, Glen Cove Hospital, Glen Cove, NY; Adjunct Clinical Assistant Professor of Pharmacy Practice, University of Rhode Island College of Pharmacy, Kingston, Rhode Island; Affiliate Clinical Instructor, St John's University College of Pharmacy and Health Sciences, Jamaica, NY.

Aastha Joshi, BS, PT, MS, EP

Clinical Exercise Specialist and Lead Clinician in Musculoskeletal Alignment, Pulmonary Wellness and Rehabilitation Center, New York, NY.

Charles Mueller, PhD, RD, CDN, CNSC

Clinical Associate Professor of Clinical Nutrition, Department of Nutrition, Food Studies and Public Health, New York University, New York, NY.

Christopher Mullin, MD MHS

Assistant Professor of Medicine; Clinician Educator, Division of Pulmonary, Critical Care, and Sleep Medicine, Alpert Medical School of Brown University; Attending Physician, Pulmonary, Critical Care, and Sleep Medicine, Rhode Island Hospital; Director, Pulmonary Embolus Response Team (PERT); Medical Director, Pulmonary Function Laboratory, Rhode Island Hospital; Attending Physician, Rhode Island Hospital Pulmonary Hypertension Center, Brown Medicine, Providence, Rhode Island.

Hooman Poor, MD

Assistant Professor of Medicine, Icahn School of Medicine at Mount Sinai; Attending Physician, Mount Sinai Hospital Division of Pulmonary, Critical Care and Sleep Medicine, Zena and Michael A. Wiener Cardiovascular Institute; Attending Physician, Mount Sinai Beth Israel Division of Pulmonary, Critical Care and Sleep Medicine; Director of Pulmonary Pathophysiology Course, Icahn School of Medicine at Mount Sinai; Associate Director, Fellowship Training Program, Mount Sinai Medical Center Division of Pulmonary, Critical Care and Sleep Medicine; Director of Pulmonary Vascular Disease, Mount Sinai Medical Center, Mount Sinai-National Jewish Respiratory Institute; Founder and Director of Pulmonary Embolism Response Team, Mount Sinai Medical Center, New York, NY.

Rachel Potter, LMSW

Social Worker, Mount Sinai-National Jewish Health Respiratory Institute, Mount Sinai Hospital; Behavioral Coach, The Beacon Program, New York, NY.

Maria Giovanna Trivieri, MD, PhD, FRCPC, DABIM

Medical Director of the Pulmonary Hypertension Program; Assistant Professor of Cardiology and Medicine; Mount Sinai Hospital, New York, NY.

ACCREDITATION

CASACs

An application has been submitted to the New York State Office of Alcoholism and Substance Abuse Services for clock hours.

Clinical Laboratory Practitioners

This continuing medical laboratory education activity is recognized by the American Society for Clinical Pathology (ASCP) for six (6) CME credits. ASCP CME credits are acceptable for the ASCP Board of Registry Certification Maintenance Program.

Dietitians/Dietetic Technicians

An application has been submitted to the Commission for Dietetic Registration (CDR) for continuing education units.

Imaging Technologists

An application has been submitted to the American Society of Radiologic Technologists (ASRT) for Category A continuing education credits. The American Registry for Diagnostic Medical Sonography (ARDMS) accepts ASRT Category A credits.

LPNs/RNs/Nurse Practitioners

This course is approved by the California Board of Registered Nursing for six (6) continuing education credits.

Medical Records Coders

An application has been submitted to the American Health Information Management Association (AHIMA) and the American Academy of Professional Coders (AAPC) for continuing education hours.

Occupational Therapists/Occupational Therapy Assistants

An application has been submitted to the New York State Occupational Therapy Association, Inc. (NYSOTA) for contact hours (NY licensees only).

Paramedics/EMTs

An application has been submitted to the Regional Emergency Medical Services Council of New York City for EMS CME credits.

Pharmacists and Pharmacy Technicians

The New York State Council of Health-system Pharmacists (NYSCHP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

Module A (AM) This course, 0134-0000-18-105-L01-P; 0134-0000-18-105-L01-T, is approved for 0.3 CEUs (3 contact hours).

Module B (PM) This course, 0134-0000-18-106-L01-P; 0134-0000-18-106-L01-T, is approved for 0.3 CEUs (3 contact hours).

Statements of Continuing Pharmacy Education Credit are available to participants upon the conclusion of the program through survey links. Participants have 45 days from date of program to claim credits and must verify attendance at the meeting by entering the program CE code.

Physical Therapists/Physical Therapy Assistants

An application has been submitted to the New York Physical Therapy Association (NYPTA) for contact hours (NY licensees only).

Respiratory Therapists

An application has been submitted to the American Association for Respiratory Care (AARC) for continuing education credits.

Social Workers

The 1199SEIU League Training and Upgrading Fund SW CPE is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers under provider #0286. Licensed New York State Social Workers are required to provide a New York State license number to receive certificate of credit. This course is approved for five (5) continuing education hours.

Other Healthcare Professionals

All other healthcare professionals will receive a general certificate of attendance. Please check with your accreditation board with respect to receiving credit for this program.

Pulmonary Hypertension

Friday, June 1, 2018 | 8:45 am to 4:30 pm

ELIGIBILITY FOR 1199SEIU MEMBERS

League and Greater New York Members To be eligible to attend this seminar at no cost, 1199SEIU members must have been a part-time or full-time employee for at least one year and work at least three-fifths of a regular workweek and work for an employer who contributes to the 1199SEIU League Training and Upgrading Fund or the 1199SEIU Greater New York Education Fund. The cost of attendance is deducted from your Continuing Education benefit.

City of New York Education, Child and Elder Care Fund Members Pharmacists, Dietitians, Clinical Laboratory Practitioners and LPNs are all eligible. Must have worked with Health and Hospitals or a mayoral agency for at least one year. The cost of attendance is deducted from your Continuing Education benefit.
