PROGRAM AND LEARNING OBJECTIVES

Program Moderator:
Anna C. Pavlick, BSN MSc, DO, MBA

8:45am REGISTRATION AND LIGHT BREAKFAST

9:20am Welcome and Introductory Remarks

9:30am “An Overview of Melanoma”

Anna C. Pavlick, BSN, MSc, DO, MBA

Learning Objectives: Upon completion, participants will be able to:

1. Identify safe sun practices so as to reduce UV sun exposure;
2. Explain the ABCs of melanoma detection;
3. Describe the importance of having the correct surgical procedure performed, after a melanoma is diagnosed;
4. List the major advances in the prevention of high-risk melanoma and treatment of metastatic melanoma; and
5. Outline the integral role of patients' overall physical and emotional health in the treatment of their disease.

10:30am “Melanoma Identification and Prevention”

Jennifer A. Stein, MD, PhD

Learning Objectives: Upon completion, participants will be able to:

1. Identify signs of melanoma;
2. Identify signs of basal cell carcinoma;
3. Identify signs of squamous cell carcinoma; and
4. Discuss methods for skin cancer prevention.

11:30am “Surgical Management of Melanoma”

Russell Scott Berman, MD

Learning Objectives: Upon completion, participants will be able to:

1. Demonstrate an understanding of the surgical management of primary cutaneous melanomas;
2. Recognize that melanoma can spread to regional lymph nodes;
3. Explain that for more-concerning melanomas, targeted lymph nodes may be surgically removed for analysis melanoma spread (metastasis); and
4. Describe the significance of metastatic lymph node involvement.

12:30pm LUNCH BREAK

1:30pm “Medical Therapy of High-Risk and Metastatic Melanoma”

Anna C. Pavlick, BSN, MSc, DO, MBA

Learning Objectives: Upon completion, participants will be able to:

1. Describe the difference between immunotherapy and targeted therapy for melanoma;
2. Outline the possible side effects of immunotherapy;
3. Outline the possible side effects of targeted therapy;
4. Discuss the overall benefits of immunotherapy and targeted therapy, compared to chemotherapy for melanoma; and
5. Explain the impact of these agents on patients' survival, both in the adjuvant and metastatic setting.

2:30pm “Optimizing Nutrition in the Patient with Melanoma”

Linda Chio, MS, RD, CSO, CDN

Learning Objectives: Upon completion, participants will be able to:

1. Identify the dietary and physical-activity findings and recommendations for cancer prevention in general, and skin cancers in particular, from the *Third Expert Report on Diet, Nutrition, Physical Activity and Cancer*;
2. Describe a plant-based diet;
3. Recall common melanoma treatments and their side effects; and
4. Specify dietary measures that will help patients manage the impact of these treatments.

3:30 pm “Nursing Issues and Survivorship”

Rajni Kannan, BS, MS, ANP-BC

Learning Objectives: Upon completion, participants will be able to:

1. Describe barriers that nurses face while triaging patients on immunotherapy;
2. Describe barriers that nurses face in getting patients their targeted therapies;
3. Identify the needed components of survivorship care plans (SCPs) for melanoma patients who have been treated with either a BRAF inhibitor or immunotherapy;
4. Recognize and evaluate long-term, immune-related adverse events and their role in survivorship care planning;
5. Educate patients about the unique long-term needs of patients, based on their individual characteristics and preferences, in relation to their melanoma treatment; and
6. Identify resources for psychosocial support of melanoma patients and their families.

4:30 pm PARTICIPANTS SUBMIT ONLINE EVALUATION

PRESENTERS

Russell Scott Berman, MD

Associate Chair for Surgical Education and Faculty Development, New York University/Langone Medical Center, Bellevue Hospital Center, and Manhattan VA Medical Center; Chief, Division of Surgical Oncology, New York University/Langone Medical Center and Bellevue Hospital Center; Program Director, Surgical Residency Program, New York University; Associate Professor of Surgery and Surgical Oncology, New York University School of Medicine, New York, NY.

Linda Chio, MS, RD, CSO, CDN

Registered Dietitian, NYU Perlmutter Cancer Center/Langone Medical Center, New York, NY.

Rajni Kannan, BS, MS, ANP-BC

Nurse Practitioner, NYU Perlmutter Cancer Center/Langone Medical Center, New York, NY.

Anna C. Pavlick, BSN, MSc, DO, MBA

Director, NYU Melanoma Program, NYU Cancer Institute, Division of Medical Oncology; Co-Director, NYU Interdisciplinary Melanoma Cooperative Group; Assistant Director, Clinical Research and Education at the NYU Clinical Cancer Center; Medical Director, NYUCI Clinical Trials Office; Attending Physician Full Privileges, Bellevue Hospital and NYU Medical Center; Full Professor of Medicine and Dermatology, Division of Medical Oncology, NYU School of Medicine, New York, NY; Adjunct Assistant Professor of Medicine, Division of Medical Oncology, UMDNJ New Jersey Medical School, Newark, NJ.

Jennifer A. Stein, MD, PhD

Associate Professor, Department of Dermatology, NYU School of Medicine; Attending Physician, Tisch Hospital, NYU Langone Medical Center; Attending Physician, New York Health Harbor System, Manhattan VA Hospital; Attending Physician, Bellevue Hospital; Associate Director, Pigmented Lesion Section, Department of Dermatology; Director, Medical Dermatology Faculty Group Practice, NYU School of Medicine; Dermatology lectures for medical students and residents, approximately 10 per year; Course Director, Advances in Dermatology, Department of Dermatology; Course Director, Non-melanoma Skin Cancer Medical Student Concentration, NYU School of Medicine, New York, NY.

ACCREDITATION

CASACs

An application has been submitted to the New York State Office of Alcoholism and Substance Abuse Services for clock hours.

Clinical Laboratory Practitioners

This continuing medical laboratory education activity is recognized by the American Society for Clinical Pathology (ASCP) for six (6) CMLE credits. ASCP CMLE credits are acceptable for the ASCP Board of Registry Certification Maintenance Program.

Dietitians/Dietetic Technicians

An application has been submitted to the Commission for Dietetic Registration (CDR) for continuing education units.

Imaging Technologists

An application has been submitted to the American Society of Radiologic Technologists (ASRT) for Category A continuing education credits. The American Registry for Diagnostic Medical Sonography (ARDMS) accepts ASRT Category A credits.

LPNs/RNs/Nurse Practitioners

This course is approved by the California Board of Registered Nursing for six (6) continuing education credits.

Medical Records Coders

An application has been submitted to the American Health Information Management Association (AHIMA) and the American Academy of Professional Coders (AAPC) for continuing education hours.

Occupational Therapists/Occupational Therapy Assistants

This course is approved by the New York State Occupational Therapy Association, Inc. (NYSOTA) for six (6) NYS continuing competency hours (NYS licensees only).

Paramedics/EMTs

An application has been submitted to the Regional Emergency Medical Services Council of New York City for EMS CME credits.

Pharmacists and Pharmacy Technicians

The New York State Council of Health-system Pharmacists (NYSCHP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

Module A (AM) This course, 0134-0000-18-117-L01-P; 0134-0000-18-117-L01-T, is approved for 0.3 CEUs (3 contact hours).

Module B (PM) This course, 0134-0000-18-118-L01-P; 0134-0000-18-118-L01-T, is approved for 0.3 CEUs (3 contact hours).

Statements of Continuing Pharmacy Education Credit are available to participants upon the conclusion of the program through survey links. Participants have 45 days from the date of program to claim credits, and must verify attendance at the meeting by entering the program CE code.

Physical Therapists/Physical Therapy Assistants

An application has been submitted to the New York Physical Therapy Association (NYPTA) for contact hours (NY licensees only).

Physician Assistants

An application has been submitted to the Physician Assistant Review Panel for AAPA Category 1 CME credit.

Respiratory Therapists

An application has been submitted to the American Association for Respiratory Care (AARC) for continuing education credits.

Social Workers

The 1199SEIU League Training and Upgrading Fund SW CPE is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers under provider #0286. Licensed NYS Social Workers are required to provide NYS license number to receive certificate of credit. This course is approved for six (6) continuing education hours.

**All other healthcare professionals will receive certificates of attendance.
Please check with your accrediting board with respect to receiving credit for this program.
Feel free to email Institute@1199funds.org for accreditation updates.**

Skin Cancer: Melanoma

A Six-Hour Interprofessional Symposium

Thursday, August 2, 2018 | 8:45am - 4:30pm EST

Enhanced Registration Process for Onsite and Videocast Participants

We have eliminated paper registration. Like webcast participants, you must register online to participate in Fund sponsored seminars and symposiums onsite (TimesCenter) or at a live videocast site. This change pertains to the registration for the Onsite and Videocast, online only:

1199SEIUBenefits.org/institute

- Register from the convenience of your home or office
- Receive immediate confirmation after you have registered
- Onsite and live videocast participants must register for the full day program, as in the past

**Registration deadline for online registration for the August 2nd Skin Cancer symposium is:
12:00 pm EST on Wednesday, August 1st**

ELIGIBILITY FOR 1199SEIU MEMBERS

League and Greater New York Members

To be eligible to attend this seminar at no cost, 1199SEIU members must have been a part-time or full-time employee for at least one year and work at least three-fifths of a regular workweek and work for an employer who contributes to the 1199SEIU Training and Upgrading Fund or the 1199SEIU Greater New York Education Fund. The cost of attendance is deducted from your Continuing Education benefit.

City of New York Education, Child and Elder Care Fund Members

Pharmacists, Dietitians, Clinical Laboratory Practitioners and LPNs are all eligible. Must have worked with Health and Hospitals or a mayoral agency for at least one year. The cost of attendance is deducted from your Continuing Education benefit.
