Advisory Committee Recruitment Form

Help Inform Members of Fund Benefits!

At the heart of the Child Care Funds' success are the active members who share in our mission. The members of the Child Care Funds Advisory Committee are the critical link among each institution, the membership and the Child Care Funds. We count on the help and support of the Advisory Committee to provide our children with the highest quality child care and brightest future possible!

Responsibilities of the Advisory Committee include:

- Regular attendance at meetings
- Informing new and current members of Child Care Fund programs
- Providing feedback on members' child-care needs to ensure their ability to balance work and family life

You can make a difference!

Can we count on you to volunteer? Become a representative and a resource within your institution.
